

Photographic Competition

My Port Melbourne • Monday 25th July

Entries Close Monday 27th June

Entries can be submitted as a print, or as digital either on a memory stick or uploaded to John Kirby's drop box, listed below*

An entry consists of:

- a photo or a series of related photos, with a label/title
- a story of *up to 200* words explaining why this photo is special to you in Port Melbourne.

There will be three elements to this competition:

- a. A panel of judges will decide on the best 20 entries which will be shown as a slide show at the PMH&PS meeting on Monday July 25th;
- b. All entries will be displayed in hard copy at that meeting and members will vote to choose the most popular entry, which will receive the People's Prize;
- c. The panel of judges will announce their choice of winner at the end of that meeting, and award a prize to that entrant.

The judges will consider the total entry; photo, title and story, and judge each entry on how well it demonstrates the exhibitor's connection to the subject of the photo and to the place of Port Melbourne.

Entries can be historical; that is, either a photo you have taken or one from Port Melbourne's past taken by a known or unknown photographer. We also seek contemporary photos of subjects such as your house or apartment block, or even of you at a location significant to you and Port Melbourne.

- Examples:
- Several photos in a sequence, e.g. your apartment as the site was cleared, a block of apartments being put up and your moving in day
 - A photo of your junior sports team or a match in progress
 - A family photograph relating to Port Melbourne; such as a shot of your grandparents on their wedding day.

Important, please note:

1. *It is a condition of the competition that the entrant grants PMHPS permission to retain a copy of the entry, add it to the Society's collection and use as it sees fit, with source acknowledged.*
2. *If the photograph(s) are not your own, please acknowledge the photographer and source when submitting your entry.*
